UNAUTHORIZED VEHICLES

Unauthorized vehicles are defined as motorized conveyances operated by persons who, at the time of operation, have no legitimate business with the District. The operating of unauthorized vehicles on school property is hereby forbidden and shall be considered by this Board as an act of trespass.

The Superintendent of Schools, and his/her administrative staff, are authorized to notify local and state police of trespassing as defined by this policy, and the Superintendent is authorized to seek prosecution of offenders at his/her discretion.

Notice of this policy is to be given by public media and posted on all school grounds.
